

MOORE'S CAMPAIGN FUND TESTIMONY IS CAUSE OF ARGUMENT

Senators Spencer and Reed Engaged in Debate—Witness Takes Offense at Senator Spencer's Remarks—Gives Names of Men Who are Said to be in the Know—Democrats from Western States Send Telegrams

CHICAGO, Sept. 7.—Edmond H. Moore, as personal representative of Governor Cox, presented to the senate committee investigating campaign expenditures, part of the documents and information upon which the Democratic presidential candidate based his charges of a Republican plan to raise a campaign fund of \$15,000,000. Its presentation caused a stormy session.

Senatorial courtesy traditions were strained to the breaking point on several occasions as Republican and Democratic members wrangled over the value of the evidence. Just before adjournment, Mr. Moore started to leave the stand exclaiming that Senator Spencer, Republican of Missouri, had intimidated him by questioning the authenticity of a circular letter which he had offered.

Senator Spencer's disclaimer of such a charge brought his Democratic colleague, Senator Reed, to his feet with a protest against "bullying tactics."

The exchange was the climax to several similar occurrences. Considerable of Mr. Moore's late testimony consisted of information gleaned from telegrams received from Democratic state chairmen in western states.

Mr. Moore said the messages were intended to suggest avenues of inquiry and he said the "paid employees of the Republican national committee" ought to be able to furnish the committee with the facts.

Senator Kenyon said that in newspaper interviews Mr. Moore had criticized the work of the committee and added Governor Cox wired Senator Reed that he would produce the evidence and leads to support his charges. "But thru you he sends none of this evidence and you start a line of evidence which it would take a year to run down."

"Senator," replied Mr. Moore, "Governor Cox had the official bulletins of the Republican committee showing that certain quotas existed. Yet the Republican witnesses got on the stand here and told us these bulletins were only 'bull.' Then he had a copy of what we had every reason to believe was a true quota list. The day before the list was published the Republicans said there were only four copies of it in existence. Now they testify that the list never existed. It is the same way with 'Form 101' and we believe we have got to get this evidence if the committee really wants it."

Witnesses Give Facts
Besides Mr. Moore there was testimony by Walter S. Dickey of Kansas City and Charles McNider of Mason City, Iowa, chairmen of the Republican ways and means committee for their states and by A. B. Paxton of Wheeling, who holds a similar position for Ohio county, West Virginia.

Missouri's share of the National Republican fund was given as \$30,000 and Iowa's as \$75,000. Mr. McNider said that on his own initiative he set the Iowa goal at \$200,000.

The testimony developed that considerable of the work of raising funds was done by salaried "state directors" from Republican headquarters.

W. A. Kling of California was named as in charge in Missouri and Charles Mavity as the gold agent for West Virginia and later for Iowa. After Irving C. Norwood had "quit because of a disagreement with Republican headquarters."

Moore Reads Quota List
When Mr. Moore again took the stand he took the quota list announced by Governor Cox and said that Pittsburgh's quota was given as \$400,000.

"H. C. McElwain, president of the Union Trust Company, can give you the information that this is the quota," he said. He also said that W. A. Woodford and Dudley S. Blossom of Cleveland could tell about that city's quota of \$400,000.

Mr. Moore said that Frank J. Reiffler of Columbus formerly had charge of raising Cincinnati's reputed quota of \$260,000 and that the Indiana "money digger" was Bert Fuller whom he described as a "personal friend of Will H. Hays."

He said Mr. Fuller had also worked in Alabama and North Carolina. Skipping to the state of Washington, Mr. Moore repeated Governor Cox's charge that the Seattle quota was \$100,000 and the Spokane assessment \$50,000 and cited as "confirmation of the admitted fact that the quota for the state is \$224,000."

Mr. Moore next offered the circular letter which started a rumormongering campaign against Governor Cox's charge that the Seattle quota was \$100,000 and the Spokane assessment \$50,000 and cited as "confirmation of the admitted fact that the quota for the state is \$224,000."

DISARMAMENT TO BE INVESTIGATED BY GOVERNMENT

Would Find Out What Progress Has Been Made in Plan

JAPAN SAID TO OPPOSE PLAN

WASHINGTON, Sept. 7.—(By The Associated Press.)—Informal investigation has been started by the United States government of the progress being made by the nations of the world in the movement for universal disarmament.

Inasmuch as control of armaments was made one of the objects of the league of nations the inquiry has developed, officials said, into an investigation of the present status of the armament control clauses of the league covenant.

Without having taken up the main problem of general disarmament the league according to reports received today has begun the organization of machinery for solving the problem.

Organization of the advisory committee on military, naval and air questions, as provided in the covenant for advising the council on means for execution of the armament control clause was made by the league council, according to official advices in Rome May 17.

As a result of the necessity for seeking American cooperation, whether within the league or without, in any program for limitations of armaments the official advices reported that early action on any scheme for universal disarmament was not to be expected.

Advices from Japan have indicated that strong opposition exists there against limitation of armaments as it is claimed that Japan on account of her peculiar position is entitled to exemption by other nations of any program of disarmament.

THREE DIE WHEN ENGINE EXPLODES

Local Residents Near Scene of Explosion—Fireman Is Blown Over High Embankment—Falls Near Automobile

Bloomington, Ill., Sept. 7.—A serious accident caused by the explosion of their engine at Shirley, Ill. at 11:30 this morning, on the Chicago & Alton railroad, caused the death of Engineer Tom Griffin and fatal injury to Fireman W. L. Robbins and Brakeman H. G. Miller.

The train was an extra freight, the explosion being caused by the dropping of a crown sheet. Fireman W. L. Robbins and Brakeman H. G. Miller both died at a hospital tonight, making three deaths from the explosion of an engine on the Chicago & Alton near Shirley, twelve miles south of here today. The other death was Engineer Thomas Griffin.

The crown sheet of the engine dropped and the engine was literally torn in two by the force of the resulting explosion.

Miller's home is at Lawdale and Griffin and Robbins live here. Parts of the engine were hurled a quarter of a mile and the bodies of the men were riddled with scraps of metal like shrapnel.

The explosion was witnessed by a party of Jacksonville people who were returning to this city from Bloomington. Misses Nellie Kenney and Mayme Murphy and Martin Kenney and Martin Murphy had stopped their automobile about 150 yards from the railroad track to change a tire.

One of the party said last night that the explosion was terrific and threw debris in all directions setting fire to several cars and nearby cornfields.

W. L. Robbins, the fireman, was thrown over a high embankment his body lying near where the Jacksonville people were stopped.

BOYCOTT AGAINST POLICE ENFORCED

Belfast, Sept. 7.—The boycott against the police in the west and other parts of County Donegal is being rigorously enforced. In Buncrana, armed men warned residents that if they were caught speaking with members of the Irish constabulary they would be dealt with drastically.

Three men concerned in the recent outrage against a woman who supplied milk to the police, were sentenced to two years' exile by a Sinn Fein court.

LITTLE PROSPECT FOR LUMBER PRICES TO DROP

St. Louis, Sept. 7.—There is no prospect of an immediate decline in the price of lumber, according to delegates to the fourth annual convention of the National Retail Lumber Dealers' association, which opened here today. Charles A. Bowen of Detroit, secretary, said that lumber prices have fallen slightly in the last two months but expressed the opinion that the bottom had been reached and that prices soon would rebound.

Bulletins From Here and There

Of this total \$879,118,000 represented claims awarded by the bureau of war risk insurance.

COX SAYS BARNES MADE SAINT PAUL BY REPUBLICANS

Makes Eight Addresses on Trip Across North Dakota

BIG BUSINESS IS SEEKING HIS DEFEAT

MINOT, N. D., Sept. 7.—Big business was flayed and progressivism preached by Governor Cox, Democratic presidential nominee, in a tour of 20 miles in North Dakota.

These issues, together with the league of nations were emphasized to eight audiences composed principally of farmers, laborers, small business men, women and children.

Big business seeking his defeat, Governor Cox declared, contributing largely to the Republican funds. Large interests, he asserted, are arrayed almost solidly against him and are "leagued with the senate oligarchy."

To his audience, Governor Cox recited former President Roosevelt's fighting in August, 1919, against alleged reactionary Republican leaders.

Referring to testimony before the senate campaign fund investigation committee Governor Cox continued: "The same old crowd is back in the front line. Barnes, who in Roosevelt's mind was the Judas of the party, has been made its Saint Paul and has been designated to write the faith of the party for this campaign."

BLOOMINGTON WINS BY CLOSE MARGIN

BLOOMINGTON, Ill., Sept. 7.—Marked by record breaking attendance and unusual interest continuing to the very last games played, the twentieth season of the Three-Eye league came to a close today.

The Bloomington champions of 1919 was again the winner of the flag this year, defeating Evansville runnerup by the narrow margin of two points. Rockford finished third; Moline and Cedar Rapids were tied for fourth; Peoria was sixth; Terre Haute seventh, and Rock Island eighth.

Bloomington opened fast and attained first place early in May, holding the leadership until the opening week, slumped in mid-season. For the past month Evansville has been the only dangerous opponent of Bloomington and lost the championship by a margin, so close as to be unprecedented in Three-Eye league history. Never before has it required the final game to determine the championship.

They are chiefly archdukes, archduchesses and minor branches of the dynasty. Their incomes have stopped and they have also suffered great loss thru the rate of exchange. The exiles have been forced to seek employment in order to live several archduchesses becoming governesses and others becoming maids. The archdukes are entering business as junior clerks.

EIGHT FOREIGNERS HELD WITHOUT BONDS

SPRINGFIELD, Ill., Sept. 7.—Held under bonds of \$25,000 each on warrants charging conspiracy, and having explosives in their possession, the eight foreigners who are said to have confessed a plot to wreck the Diamond Special of the Illinois Central were today made the subject of a grand jury investigation.

The penalty of conspiracy, the state's attorney said, may be imprisonment from twenty-five years to life.

WAR DEPARTMENT CONFIRMS ASSIGNMENTS

Washington, Sept. 7.—Orders were issued by the war department confirming assignment of twelve national guard and reserve officers to duty with the general staff. Officers, governors of their states include Colonels M. A. Reed of Indiana, F. M. Runbold of Michigan, and C. R. Wilson, Ohio.

POLISH NOTE ASKS LEAGUE OF NATIONS TO ACT AS MEDIATOR

Says Excesses Committed Against Poles By Lithuanians

WOULD ACT WITH GREAT RELUCTANCE

PARIS, Sept. 7.—The Polish note to the league of nations asking it to mediate in the Polish-Lithuanian controversy said that while the Polish armies were retreating the Lithuanian government concluded an agreement with the soviet government authorizing the soviet armies to allow the Lithuanian army to pass. The note continued:

"When the Polish armies were forced to withdraw from Polish territory Lithuanian troops occupied the territory and committed excesses toward the populations. 'Polish troops have tried to avoid shedding blood but on Sept. 2 a detachment of cavalry occupying Selnay was attacked and Lithuanian troops forced to evacuate the town losing four dead. 'The Polish government was thus faced with open and direct aggression from Lithuania. Owing to the fraternal relations which have existed between Polish and Lithuanian peoples the Polish government would have recourse to force of arms only with great reluctance. The Polish government has taken all measure to prevent contact between its forces and Lithuania.'"

DEPARTMENT OF JUSTICE TO TAKE INCOME TAX CASE

Nearly Five Million Dollars Are Said to Be Involved

CLAIM PARTIES WERE GOING TO LEAVE

WASHINGTON, Sept. 7.—Commissioner of the Bureau of Internal Revenue has asked the department of justice to take jurisdiction of the case growing out of the recent seizure by revenue agents in New York of nearly \$5,000,000 involved in a shipping transaction and on the profits of which it is alleged the interested parties sought to avoid payment of income taxes.

The shipping bill which brought up the controversy was understood to have involved the sale of 4,900 shares of Kerr Navigation company stock to the Hamburg-American Steamship company and the Harriman interests. Just as the funds were being paid over agents of the internal revenue bureau stepped in and took charge of the money.

Contentions of the government are said to be that both Kerr and Glegg were preparing to leave the United States without having paid income taxes on profits gained in the transaction. These profits, officials said, would exceed \$4,000,000. If no violation is found it would take its share of the amount under revenue provisions and dismiss the case.

RENEW ATTACK ON INDUSTRIAL COURT

WASHINGTON, Sept. 7.—Renewing attacks upon the Kansas law establishing a court of industrial relations by labor organizations, Samuel Gompers, president of the American Federation of Labor gave out copies of a letter addressed to central labor bodies in that state tendering the aid of the federation in efforts to get the measure repealed.

Mr. Gompers in his letter asked Kansas organizations to rally farmers around the opposition to the court system for settling industrial controversies. The exhibit includes workmen's suits, a table cover, collars and cuffs, a laundry bag and a wall decoration.

One paper suit is quoted at 22 cents, or about 15 cents in United States currency, while another made of forty per cent paper, sells at about \$2.65 in American money.

According to officials of the department, the garments are washable.

LUMBER DEALERS HOLD CONVENTION

ST. LOUIS, Mo., Sept. 7.—Elimination of the "transit car evil" as a means of relieving the freight car shortage, was advocated by President John J. Comerford of Detroit, in an address before the convention of the National Retail Lumber Dealers' association.

Shipments, the speaker declared sometimes are sent from point to point by commodity car, and they have been on the tracks 40 or 45 days before they are purchased.

NOT ACCUSTOMED TO POLITICAL WAYS

Flint, Mich., Sept. 7.—Asserting that he was not accustomed to "political ways, means and methods," and had neither the time nor money to make a campaign, Lieutenant Colonel Guy M. Wilson of Flint, today formally notified the secretary of state of his withdrawal as Democratic nominee for lieutenant governor of Michigan.

SEVEN BODIES FOUND

PRESIDENT ASKS GOVERNORS TO SET FIRE PREVENTION DAY

Designates October 9 and Asks General Observance

MANY FIRES COULD BE PREVENTED

WASHINGTON, Sept. 7.—President Wilson today urged state governors to set Saturday, Oct. 9 as fire prevention day and to request general observance by the public. The need for bringing "before the people the serious and unhappy effects of the present unnecessary fire waste and the need of their effort in conserving resources of America," was said by the president in his proclamation to be specially urgent for the following reasons:

"The destruction by fire in the United States involves an annual loss of life of 15,000 men, women and children and over \$250,000,000 in buildings, foodstuffs and other created resources."

"The need of the civilized world for American products to replace the ravages of the great war is especially great at this time."

"The present serious shortage of homes and business structures makes the destruction of buildings especially serious."

"A large percentage of the fires causing the annual American fire waste may be easily prevented by increased care and vigilance."

WOULD CONNECT RECEIVER WITH PACKING INTERESTS

Cavanaugh Said to Be Linked With Five Big Packers

BANK CASHIERS DEFENSE'S WITNESSES

DES MOINES, Iowa, Sept. 7.—Attorneys for the Associated Packing Company attempted to lay foundations in the hearing in Judge McCall's court Tuesday for evidence showing that John Cavanaugh, receiver for the Associated Packing Company and the Des Moines National Bank of which Cavanaugh is president are linked with the "big five" packers.

Exhibits filed with the court included excerpts from the reports of the federal trade commission on the packing industry and an affidavit of E. J. Morrissey, of Valeria, Iowa, purporting to prove "an alliance between Cavanaugh and the homestead to wreck the Associated Packing Company."

The principal witnesses for the defense in its efforts to connect Cavanaugh and his bank with the Chicago packers and Chicago banks in which heads of packing companies are officers, were John Hogan, cashier of the Des Moines National Bank and George C. Williams, assistant cashier of the same institution.

ANTHRACITE COAL STRIKE UNCHANGED

SCRANTON, Pa., Sept. 7.—No marked improvement was noted in the anthracite mining situation in the Lackawanna region today, morning reports indicating that more men are away from the mines than was the case last week.

The Delaware, Lackawanna and Western officials looked for no change today following the holiday but announced that nearly all their mines will be working tomorrow.

The Pennsylvania Coal Co. official at Dunmore said number one mine of the company at that place is practically idle today, but that many more men have gone back to work in the Pittsburgh district. The company officials are confident that the offer made to the men to adjust the contract miner system immediately on the return of the men to work will be accepted. The men of this company have been on strike for two months.

TEXAS DEMOCRATS HOLDING CONVENTION

Fort Worth, Texas, Sept. 7.—Luther Johnson of Corsicana, as temporary chairman, called the Texas state democratic convention to order here this morning. The name of Pat M. Neff, of Waco will be presented to the convention this afternoon as the party's nominee for governor. Nominations for other state offices at the July and August Democratic primaries were to be ratified today.

BONDS STOLEN FROM THE MAIL BURNED

RELEASE OF LORD MAYOR SUGGESTED BY PREMIER GEORGE

Friends Claim Would Not Break President Deadlock

CORK JAIL IS HEAVILY GUARDED

LONDON, Sept. 7.—(By The Associated Press.)—Lord Mayor MacSwiney of Cork passed a rather restless and feverish evening in Brixton jail, but otherwise his condition due to his prolonged hunger strike was unchanged.

Premier Lloyd George's suggestion for the release of Mr. MacSwiney and other hunger strikers conditional on a guarantee of the cessation of murders of policemen in Ireland seems not to be regarded as providing any practical issue for breaking the deadlock between the government and the Irishmen.

Lord Mayor MacSwiney's friends declare that he would be impossible for MacSwiney to give such a guarantee. Even if he could do so they say, the reprisals by the police enter into the question.

Premier Can Discuss Terms
Art O'Brien, president of the Gaelic League in London, says no authoritative communication has been received from Mr. Lloyd George by any relative of Lord Mayor MacSwiney or anyone entitled to speak in his behalf. If Mr. Lloyd George is willing to discuss terms for a cessation of hostilities in Ireland, Mr. O'Brien says, the premier can communicate with the proper persons.

Only Relatives Allowed
Cork, Sept. 7.—(By The Associated Press.)—The correspondent at the jail this morning said was refused permission to see the prisoners or to interview prison authorities. The warden at the gate which he opened sufficiently wide to reveal soldiers with rifles and machine guns inside explained that only the relatives of the prisoners were permitted to enter.

Cork jail is an ancient stone pile. A machine gun peeped thru the narrow window commanding the entrance. On the tower rising from the middle of the prison was a soldier with a rifle, bayonet fixed, pacing up and down.

Other soldiers on guard outside watched the groups of relatives and friends of the hunger strikers waiting to enter.

Authorities Uneasy
These precautions seemingly signified the uneasiness of the authorities as to what may happen if Lord Mayor MacSwiney in Brixton prison or any of the men incarcerated here should die.

Every evening a crowd gathers in front of the jail surrounding a priest who says the rosary. Then hymns and Sinn Fein songs are sung loud enough to reach the straining ears of the prisoners in the depths of the jail.

Deputy Lord Mayor O'Callaghan has obtained permission from the military authorities to visit the jail and cheer prisoners.

LOWDEN ATTACKS MAYOR THOMPSON

CHICAGO, Ill., Sept. 7.—Gov. Frank O. Lowden in Chicago today replied to the attacks against him in the Illinois primaries by Mayor William Hale Thompson, who is opposing the candidate's friendly to the governor. The Thompson and Mr. Lowden as an "innocent Tammany." He charged that the "Lundin-Thompson-Tammany" had its "eyes on the \$16,000,000 now reposing in the state treasury and the \$60,000,000 good roads bonds and on the \$20,000,000 deep-waterway bonds."

CAR SITUATION IMPROVED

Washington, Sept. 7.—Decided improvement in the car situation was indicated by figures made public tonight by the car service commission showing that 964,256 freight cars were loaded during the week ending August 21. This was the heaviest car movement for the year, according to the commission.

PREMIER LLOYD GEORGE RETURNS TO LONDON

London, Sept. 7.—Premier Lloyd George reached London unexpectedly tonight from Lacaze. He traveled direct instead of thru Paris as planned.

SPRINGFIELD, Ill., Sept. 7.—Held under bonds of \$25,000 each on warrants charging conspiracy, and having explosives in their possession, the eight foreigners who are said to have confessed a plot to wreck the Diamond Special of the Illinois Central were today made the subject of grand jury investigation.

The penalty of conspiracy, the state's attorney said, may be imprisonment from twenty-five years to life.

WAR DEPARTMENT CONFIRMS ASSIGNMENTS

Washington, Sept. 7.—Orders were issued by the war department confirming assignment of twelve national guard and reserve officers to duty with the general staff. Officers, selected from lists submitted by governors of their states, include: Col. M. A. Reynolds, Indiana; Col. M. R. Wilson, Michigan and C. R. Wilson, Ohio.

EARTHQUAKE FELT

Florence, Italy, Sept. 7.—An earthquake occurred at 7:15 this morning that caused damage around Pisa. Houses collapsed with some loss of life.

PITTSBURGH, Pa., Sept. 7.—Two cablegrams, addressed to Premier Lloyd George of Great Britain and asking that appeals of Irish-Americans on behalf of Lord Mayor MacSwiney be ignored, were sent from this city today by James Stanley White, editor of the United Protestant Advocate and R. M. McPadden, D. D., secretary of the International Protestant League.

NEW YORK, Sept. 7.—Eamonn de Valera, "president of the Irish republic," has sent a message to Father Dominic chaplain to Lord Mayor Terence MacSwiney of Cork, reported dying from a hunger strike in Brixton prison, England asking him to convey to Mayor MacSwiney, the official expression of the gratitude of the Irish nation.

LONDON, Sept. 7.—A Rome despatch to the Evening News reports a conflict between the Socialists and Conservatives last night at Cremona. An attempt by the Conservatives to seize the headquarters of the Socialist newspaper, Echo Del Popolo, led to a fight in which two persons were killed and six seriously wounded.

DEPARTMENT OF JUSTICE TO TAKE INCOME TAX CASE

Nearly Five Million Dollars Are Said to Be Involved

CLAIM PARTIES WERE GOING TO LEAVE

WASHINGTON, Sept. 7.—Commissioner of the Bureau of Internal Revenue has asked the department of justice to take jurisdiction of the case growing out of the recent seizure by revenue agents in New York of nearly \$5,000,000 involved in a shipping transaction and on the profits of which it is alleged the interested parties sought to avoid payment of income taxes.

The shipping bill which brought up the controversy was understood to have involved the sale of 4,900 shares of Kerr Navigation company stock to the Hamburg-American Steamship company and the Harriman interests. Just as the funds were being paid over agents of the internal revenue bureau stepped in and took charge of the money.

Contentions of the government are said to be that both Kerr and Clegg were preparing to leave the United States without having paid income taxes on profits gained in the transaction. These profits, officials said, would exceed \$4,000,000. If no violation is found it was said the government merely would take its share of the amount under revenue provisions and dismiss the case.

RENEWS ATTACK ON INDUSTRIAL COURT

WASHINGTON, Sept. 7.—Renewing attacks upon the Kansas law establishing a court of industrial relations by labor organizations, Samuel Gompers, president of the American Federation of Labor gave out copies of a letter addressed to central labor bodies in that state tendering the aid of the federation in efforts to get the measure repealed.

Mr. Gompers in his letter asked Kansas organizations to rally farmers around the opposition to the court system for settling industrial controversies.

Mr. Gompers suggested that a statewide conference of representatives of Kansas labor organizations be called to make repeal plans effective.

FAMILY IN GREAT FINANCIAL DISTRESS

GENEVA, Sept. 7.—Eighty members of Hapsburg family are in great financial distress for Emperor Zita of Austria said to a visitor today in Prengins where she and the former Emperor Karl are living.

They are chiefly archdukes, archduchesses and minor branches of the dynasty. Their incomes have stopped and they have also suffered great loss thru the rate of exchange.

The exiles have been forced to seek employment in order to live several archduchesses becoming governesses and others becoming maids. The archdukes are entering business as junior clerks.

RUSSIAN GOVERNMENT SENT NOTE TO POLAND

Warsaw, Sept. 6.—(By The Associated Press.)—The Russian government has sent a message to Poland saying Russians are dissatisfied with arrangements for the Russo-Polish peace negotiations at Riga because Latvian guarantees are insufficient.

CHICAGO HAS ALL OF HIGH SCHOOL TEACHERS

Chicago, Sept. 7.—A full complement of teachers for Chicago's four hundred thousand school children was announced with the opening of school today by Superintendent of Schools Peter Mortenson. He said a recent salary increase had filled the teacher shortage.

POLISH NOTE ASKS LEAGUE OF NATIONS TO ACT AS MEDIATOR

Says Excesses Committed Against Poles By Lithuanians

WOULD ACT WITH GREAT RELUCTANCE

PARIS, Sept. 7.—The Polish note to the league of nations asking it to mediate in the Polish-Lithuanian controversy said that while the Polish armies were retreating the Lithuanian government concluded an agreement with the soviet government authorizing the soviet armies to allow the Lithuanian army to pass. The note continues:

"When the Polish armies were forced to withdraw from Polish territory Lithuanian troops occupied the territory and committed excesses toward the populations."

"Polish troops have tried to avoid shedding blood but on Sept. 2 a detachment of cavalry occupying Selnay was attacked and Lithuanian troops forced to evacuate the town losing four dead."

"The Polish government was thus faced with open and direct aggression from Lithuania. Owing to the fraternal relations which have existed between Polish and Lithuanian peoples the Polish government would have resorted to force of arms only with great reluctance. The Polish government has taken all measure to prevent contact between its forces and Lithuania."

SENATOR HARDING MAKES HIT WITH SMALL TOWN STUFF

Says Greatest Happiness is Found in American Villages

TALK BRINGS CHEERS FROM AUDITORS

DEERFIELD, Ill., Sept. 7.—Just before his special train left here tonight for St. Paul and Minneapolis, Senator Harding made a rear platform speech to a crowd of townsfolk, describing his boyhood days in a small village and declaring that in his opinion the villages of America hold the greatest happiness and love of law and order to be found.

He praised the small town as a model of democracy and to illustrate his point of view recounted the varying degrees of success that had been attained by his various boyhood friends. He did not discuss political issues.

His reference to characteristics of the small town kept his audience laughing and applauding and at the end of the speech they gave "three cheers for Harding."

AUSTRIAN PAPER SUITS ON EXHIBIT

WASHINGTON, Sept. 7.—Paper clothing and other articles made from paper in Austrian factories were placed on exhibit today by the department of commerce. Later the exhibit will be offered to clothing and other interested manufacturers.

The exhibit includes workmen's suits, a table cover, collars and cuffs, a laundry bag and a wall decoration.

One paper suit is quoted at 32 cents, or about 15 cents in United States currency, while another made of four per cent paper sells at about \$2.65 in American money.

According to officials of the department, the garments are washable.

LUMBER DEALERS HOLD CONVENTION

ST. LOUIS, Mo., Sept. 7.—Elimination of the "transit car evil" as a means of relieving the freight car shortage, was advocated by President John J. Comerford of Detroit, in an address before the convention of the National Retail Lumber Dealers' association.

Shippers, the speaker declared sometimes are sent from point to point by commission men until they have been on the tracks 40 or 45 days before they are purchased.

NOT ACCUSTOMED TO POLITICAL WAYS

Flint, Mich., Sept. 7.—Asserting that he was not accustomed to "political ways, means and methods," and had neither the time nor money to make a campaign, Lieutenant Colonel Guy M. Wilson of Flint, today formally notified the secretary of state of his withdrawal as Democratic nominee for lieutenant governor of Michigan.

SEVEN BODIES FOUND DROWN IN TIDAL WAVE

Tokio, Sept. 7.—The mutilated bodies of seven Russian women encased in a hempen bag were recently found in Vladivostok harbor, according to special dispatches received here.

PRESIDENT ASKS GOVERNORS TO SET FIRE PREVENTION DAY

Designates October 9 and Asks General Observance

MANY FIRES COULD BE PREVENTED

WASHINGTON, Sept. 7.—President Wilson today urged state governors to set Saturday, Oct. 9 as fire prevention day and to request general observance by the public. The need for bringing "before the people the serious and unhappy effects of the present unnecessary fire waste and the need of their effort in conserving resources of America," was said by the president in his proclamation to be specially urgent for the following reasons:

"The destruction by fire in the United States involves an annual loss of life of 15,000 men, women and children and over \$250,000,000 in building, foodstuffs and other created resources."

"The need of the civilized world for American products to replace the ravages of the great war is especially great at this time."

"The present serious shortage of homes and business structures makes the destruction of buildings especially serious."

"A large percentage of the fires causing the annual American fire waste may be easily prevented by increased care and vigilance."

WOULD CONNECT RECEIVER WITH PACKING INTERESTS

Cavanaugh Said to Be Linked With Five Big Packers

BANK CASHIERS DEFENSE'S WITNESSES

DES MOINES, Iowa, Sept. 7.—Attorneys for the Associated Packing Company attempted to lay foundations in the hearing in Judge McCall's court Tuesday for evidence showing that John Cavanaugh, receiver for the Associated Packing Company and the Des Moines National Bank of which Cavanaugh is president are linked with the "big five" packers.

Exhibits filed with the court included excerpts from the reports of the federal trade commission on the packing industry and an affidavit of E. J. Morrissey, of Valeria, Iowa, purporting to prove "an alliance between Cavanaugh and the homestead to wreck the Associated Packing Company."

The principal witnesses for the defense in its efforts to connect Cavanaugh and his bank with the Chicago packers and Chicago banks in which heads of packing companies are officers, were John Hogan, cashier of the Des Moines National Bank and George C. Williams, assistant cashier of the same institution.

ANTHRACITE COAL STRIKE UNCHANGED

SCRANTON, Pa., Sept. 7.—No marked improvement was noted in the anthracite mining situation in the Lackawanna region today, morning reports indicating that more men are away from the mines than was the case last week.

The Delaware, Lackawanna and Western officials looked for no change today following the holiday, but announce that nearly all their mines will be working tomorrow.

The Pennsylvania Coal Co. official at Dunsmore said number one mine of the company at that place is practically idle today, but that many more men have gone back to work in the Pittsburgh district. The company officials are confident that the offer made to the men to adjust the contract miner system immediately on the return of the men to work will be accepted. The men of this company have been on strike for two months.

TEXAS DEMOCRATS HOLD CONVENTION

Fort Worth, Texas, Sept. 7.—Luther Johnson of Corsicana, as temporary chairman, called the Texas state democratic convention to order here this morning. The name of Pat M. Neff of Waco will be presented to the convention this afternoon as the party's nominee for governor. Nominations for other state offices at the July and August Democratic primaries were to be ratified today.

BONDS STOLEN FROM THE MAIL BURNED

New York, Sept. 7.—Railroad bonds valued at \$200,000 reported lost in the mail from Milwaukee to New York a month ago were burned here by thieves who stole them and were afraid to dispose of them, post office inspectors and the police announced today.

TWO HUNDRED MEN DROWN IN TIDAL WAVE

Tokio, Sept. 3.—Two hundred men were drowned in a tidal wave which swept over buildings and barracks on the island of Saghalien, according to reports received here.

RELEASE OF LORD MAYOR SUGGESTED BY PREMIER GEORGE

Friends Claim Would Not Break President Deadlock

CORK JAIL IS HEAVILY GUARDED

LONDON, Sept. 7.—(By The Associated Press.)—Lord Mayor MacSwiney of Cork passed a rather restless and feverish evening in Brixton jail, but otherwise his condition due to his prolonged hunger strike was unchanged.

Premier Lloyd George's suggestion for the release of Mr. MacSwiney and other hunger strikers conditional on a guarantee of the cessation of murders of policemen in Ireland seems not to be regarded as providing any practical issue for breaking the deadlock between the government and the Irishmen.

Lord Mayor MacSwiney's friends declare that it would be impossible for MacSwiney to give such a guarantee. Even if he could do so they say, the reprisals by the police enter into the question.

Premier Can Discuss Terms

Art O'Brien, president of the Gaelic League in London, says no authoritative communication has been received from Mr. Lloyd George by any relative of Lord Mayor MacSwiney or anyone entitled to speak in his behalf. If Mr. Lloyd George is willing to discuss terms for a cessation of hostilities in Ireland, Mr. O'Brien says, the premier can communicate with the proper persons.

Only Relatives Allowed

Cork, Sept. 7.—(By The Associated Press.)—The correspondent of the Associated Press called at the jail this morning but was refused permission to see the prisoners or to interview prison authorities. The warden at the gate which he opened sufficiently wide to reveal soldiers with rifles and machine guns inside explained that only the relatives of the prisoners were permitted to enter. Cork jail is an ancient stone pile. A machine gun pointed thru the narrow window commanding the entrance. On the tower rising from the middle of the prison was a soldier with a rifle, bayonet fixed, pacing up and down.

Other soldiers on guard outside watched the groups of relatives and friends of the hunger strikers waiting to enter.

Authorities uneasy sighted these precautions seemingly designed to prevent the unauthorized authorities as to what may happen if Lord Mayor MacSwiney in Brixton prison or any of the men incarcerated here should die.

Every evening a crowd gathers in front of the jail surrounding a priest who says the rosary. Then hymns and Sinn Fein songs are sung loud enough to reach the straining ears of the prisoners in the depths of the jail.

Deputy Lord Mayor O'Callaghan has obtained permission from the military authorities to visit the jail and cheer prisoners.

LOWDEN ATTACKS MAYOR THOMPSON

CHICAGO, Ill., Sept. 7.—Gov. Frank O. Lowden in Chicago today replied to the attacks against him in the Illinois primaries by Mayor William Hale Thompson, who is opposing the candidate's friendly to the governor. The governor characterized Mr. Thompson and Mr. Lundin as an "insidious Tammany." He charged that the "Lundin-Thompson Tammany" had its "eyes on the \$16,000,000 now reposing in the state treasury and the \$50,000,000 good roads bonds and on the \$20,000,000 deep-waterway bonds."

CAR SITUATION IMPROVED

Washington, Sept. 7.—Decided improvement in the car situation was indicated by figures made public tonight by the car service commission showing that 964,256 freight cars were loaded during the week ending August 21. This was the heaviest car movement for the year, according to the commission.

PREMIER LLOYD GEORGE RETURNS TO LONDON

London, Sept. 7.—Premier Lloyd George reached London unexpectedly tonight from Lucerne. He traveled direct instead of thru Paris as planned.

Charles Evans Hughes thinks something like this of Senator Harding:

"Senator Harding has a genius for cooperation. We want extensive leadership, but we want to put an end to the attempts, sometimes obvious, sometimes subtle, to create an autocracy of the executive. Senator Harding will be his own master, but he will really seek counsel and not simply talk about it."

Rev. Mr. Pontius in his Labor Day address discussed the big problem of industrialism in a thorough and fair way. Mr. Pontius is always logical in his conclusions and his address was one which made a study of conditions, warranting the interest and attention of both those who are accounted as employers of labor and those in the ranks of labor.

The plot of foreigners arrested in Springfield in preparation for the wrecking of a train and the ruthless looting of passengers was cruel almost beyond belief. That men could meet and contrive for such atrocities is more than the average American mind can understand.

These men were foreigners. They do not speak the English language. They have no idea of American institutions. They evidently have no idea either of property rights of individuals. If they represent a society or organization forming in the U. S. it is high time for the department of justice to take effective measures to immediately blot it out.

MR. VAIL A QUALIFIED CANDIDATE

In an editorial Sunday morning in support of Lieut. Gov. Oglesby, State Auditor Andrew Russell said the candidates associated with them, the name of Charles W. Vail was thru error omitted, as clerk of the supreme court. He has filled that position with ability and deserves re-election as a matter of merit. Mr. Vail's qualifications cannot be questioned and in his candidacy he has had the endorsement of all the justices now serving in the supreme court.

GOOD ROADS NOW.

As traffic on cross country roads increases there is a growing enthusiasm for earth roads kept in good condition thru dragging, grading and oiling. The construction of hard roads now

costs from \$40,000 to \$50,000 a mile and even the funds available from the \$60,000,000 bond issue will provide a comparatively small amount of roadway. Just about the only trouble with the graded and oiled earth roads is the failure to keep up the good work. It is still a question as to whether the ideal type of hard road material has been discovered, but it is not a question that at present costs that comparatively little hard road construction can be undertaken.

An earth road can be kept in good condition by constant and intelligent work at a cost not to exceed what would be the interest on the money invested in a hard road covering the same distance.

THE G. O. P. AND WHAT IT MEANS.

The Republicans stand now as they have always stood, for a protective tariff which will promote America first. The Democratic platform reaffirms the traditional policy of the party on the subject of the tariff, which policy is that a protective tariff is not only unwise from an economic standpoint, but in violation of the constitution.

The Republican party stands now as it has always stood for agreements among the nations for the preservation of peace and for gradual disarmament. The Democratic party stands uncompromisingly for "The League of Nations" in the form proposed by President Wilson, without any reservations to protect the rights and independence of America. Republicans insist upon preservation of American independence. Democrats demand that America make the "supreme sacrifice."

The Republican party stands for economy and retrenchment, as evidenced by the cutting of two and a half billions from the demands of the Wilson Administration. The Democrats stand for extravagance and continuance of war-time expenditures, as evidenced by their refusal to cut

down the number of war-time government employees until compelled to do so, and by their continued demands for large appropriations after peace had been restored.

OIL

I know a dozen men who've won snug fortunes by the route of oil, and their financial cares are done, they do not have to spin or toll. They ride around in limousines, in all the pomp men could desire, and cars no hoet how many beams it takes to buy a rubber tire. And when I see them in their pride, my own sad outlook makes me blue; I'll go and buy some oil stock, too. Then I remember countless gents who tackled oil and hoped they'd win, and now they haven't forty cents to buy a stein of prohib gin. I see them sleeping in the park, on benches comfortless and bare, and when they wake some leave and bark will be their breakfast bill of fare. Where one oil magnate lives in state, and has nine banks on which to draw, a thousand losers rail at fate and say there ought to be a law. And so I buy no oil well stock, nor heed prospectus sublime; along my humble way I walk and save and quarter at a time.

NOW IS THE TIME TO BUY THAT FALL SUIT OR WINTER COAT. GO TO HERMAN'S FOR IT AND YOU WILL NOT BE DISAPPOINTED.

PATIENT AT STATE HOSPITAL SUICIDES

Mrs. Eva Crews kills Self By Hanging With Stocking—Died Committed About 9 o'clock Saturday Night.

Mrs. Eva Crews, a patient at Jacksonville State Hospital committed suicide by hanging herself with a stocking about nine o'clock Saturday night.

Her lifeless body was discovered about 9:30 o'clock Saturday night after officials had forced the door to her room. It was hanging from a door hinge.

Coroner Rose was notified and held an inquest at the institution Saturday night. The jury was composed of Harry Goacher, Clifford Holler, Alex Murray, Edward C. Leonard, Fred Main and C. S. Richards.

The jury heard the testimony of Dr. George Stimpson, physician on duty, Miss Barwick, nurse and Mrs. Ertel, a patient who roomed with Mrs. Crews.

Mrs. Ertel had been to a dance and party at amusement hall and on returning found the door of her room locked. She reported the matter to Miss Barwick, the nurse in charge. It was reported by Miss Barwick to Dr. Stimpson.

In company with Night Watch Roy and Dr. Asher, they went to the room occupied by Mrs. Crews and found the door locked. A hole was broken in the panel with a hatchet and they were able to get into the room. They found Mrs. Crews hanging from a hinge of the door.

After hearing the evidence the jury returned a verdict that death resulted by hanging with a stocking fastened to a door hinge and the hospital authorities were exonerated from all blame.

Mrs. Crews was a resident of Lawrenceville and was admitted to the institution in December, 1919. It developed that she had tried previously to take her life.

The remains were sent to Lawrenceville where funeral services will be held and interment made.

REACH NORTH DAKOTA ON WAY TO CANADA

James Jefferson and Family Write Morgan County Friends of Journey to Northwest.

The following letter was written by James Jefferson for publication in the Journal. Mr. Jefferson and family are now enroute to Canada where they will make their home. The letter follows:

Dear Morgan County Friends: We are now in North Dakota and still going northwest. We have had good luck and fine roads until yesterday and today. It has been raining and this means a delay, but we are not much concerned about that. We have met some fine people on our way up here, and all are willing to do us a good turn. We have slept in our tent every night except one.

George was sick one day but is all O. K. now. Tom still likes to drive fast, and I often have to shove the brakes on. We witnessed a sad accident last Sunday, when a party of tourists in a car just ahead of us were struck by another car and three of the party killed. Mr. F. E. Farrell gave me some instructions on traveling and I find them very useful now.

We expect to arrive at our home in Canada next week. Have been close to the Canadian line for two days but want to keep in the U. S. as long as possible. We met three cars from Illinois Monday and the occupants waved their handkerchiefs and shouted for the good old state as far as we could see them. We camped one night with a party of tourists from Waverly, Ill.

We have broken one spring and have had several punctures but the old Chalmers is still ready to travel.

Yours very truly,
James Jefferson.

The plot of foreigners arrested in Springfield in preparation for the wrecking of a train and the ruthless looting of passengers was cruel almost beyond belief. That men could meet and contrive for such atrocities is more than the average American mind can understand.

These men were foreigners. They do not speak the English language. They have no idea of American institutions. They evidently have no idea either of properly rights of individuals, if they represent a society or organization forming in the U. S. It is high time for the department of justice to take effective measures to immediately blot it out.

MR. VAIL A QUALIFIED CANDIDATE.

In an editorial Sunday morning in support of Lieut. Gov. Oglesby, State Auditor Andrew Russell and the candidates associated with them, the name of Charles W. Vail was thru error omitted, as clerk of the supreme court. He has filled that position with ability and deserves re-election as a matter of merit. Mr. Vail's qualifications cannot be questioned and in his candidacy he has had the endorsement of all the justices now serving in the supreme court.

GOOD ROADS NOW.

As traffic on cross country roads increases there is a growing enthusiasm for earth roads kept in good condition thru dragging, grading and oiling. The construction of hard roads now

costs from \$40,000 to \$50,000 a mile and even the funds available from the \$60,000,000 bond issue will provide a comparatively small amount of roadway. Just about the only trouble with the graded and oiled earth roads is the failure to keep up the good work. It is still a question as to whether the ideal type of hard road material has been discovered, but it is not a question that at present costs that comparatively little hard road construction can be undertaken.

An earth road can be kept in good condition by constant and intelligent work at a cost not to exceed what would be the interest on the money invested in a hard road covering the same distance.

THE G. O. P. AND WHAT IT MEANS.

The Republicans stand now as they have always stood, for a protective tariff which will promote America first. The Democratic platform reaffirms the traditional policy of the party on the subject of the tariff, which policy is that a protective tariff is not only unwise from an economic standpoint, but in violation of the constitution.

The Republican party stands now as it has always stood for agreements among the nations for the preservation of peace and for gradual disarmament. The Democratic party stands uncompromisingly for "The League of Nations" in the form proposed by President Wilson, without any reservations to protect the rights and independence of America. Republicans insist upon preservation of American independence. Democrats demand that America make the "supreme sacrifice."

The Republican party stands for economy and retrenchment, as evidenced by the cutting of two and a half billions from the demands of the Wilson Administration. The Democrats stand for extravagance and continuance of war-time expenditures, as evidenced by their refusal to cut

down the number of war-time government employees until compelled to do so, and by their continued demands for large appropriations after peace had been restored.

OIL

I know a dozen men who've won snug fortunes by the route of oil, and their financial cares are done, they do not have to spin or toll. They ride around in limousines, in all the pomp men could desire, and care no hoot how many beans it takes to buy a rubber tire. And when I see them in their pride, my own sad outlook makes me blue; I have a yearning pain inside—I'll go and buy some oil stock, too. Then I remember countless gentles who tackled oil and hoped they'd win, and now they haven't forty cents to buy a stein of prohib gin. I see them sleeping in the park, on benches comfortless and bare, and when they wake some leaves and bark will be their breakfast bill of fare. Where one oil magnate lives in state, and has nine banks on which to draw, a thousand losers rail at fate and say there ought to be a law. And so I buy no oil well stock, nor heed prospectuses sublime; along my humble way I walk and save and quarter at a time.

NOW IS THE TIME TO BUY THAT FALL SUIT OR WINTER COAT. GO TO HERMAN'S FOR IT AND YOU WILL NOT BE DISAPPOINTED.

PATIENT AT STATE HOSPITAL SUICIDES

Mrs. Eva Crews kills Self By Hanging With Stocking—Died Committed About 9 o'clock Saturday Night.

Mrs. Eva Crews, a patient at Jacksonville State hospital committed suicide by hanging herself with a stocking about nine o'clock Saturday night. Her lifeless body was discovered about 9:30 o'clock Saturday night after officials had forced the door to her room. It was hanging from a door hinge.

Coroner Rose was notified and held an inquest at the institution Saturday night. The jury was composed of Harry Goacher, Clifford Holler, Alex Murray, Edward C. Leonard, Fred Main and C. S. Richards.

The jury heard the testimony of Dr. George Stimpson, physician on duty, Miss Barwick, nurse and Mrs. Ertel, a patient who roomed with Mrs. Crews.

Mrs. Ertel had been to a dance and party at amusement hall and on returning found the door of her room locked. She reported the matter to Miss Barwick, the nurse in charge. It was reported by Miss Barwick to Dr. Stimpson.

In company with Night Watch Roy and Dr. Asher, they went to the room occupied by Mrs. Crews and found the door locked. A hole was broken in the panel with a hatchet and they were able to get into the room. They found Mrs. Crews hanging from a hinge of the door.

After hearing the evidence the jury returned a verdict that death resulted by hanging with a stocking fastened to a door hinge and the hospital authorities were exonerated from all blame.

Mrs. Crews was a resident of Lawrenceville and was admitted to the institution in December, 1919. It developed that she had tried previously to take her life.

The remains were sent to Lawrenceville where funeral services will be held and interment made.

REACH NORTH DAKOTA ON WAY TO CANADA

James Jefferson and Family Write Morgan County Friends of Journey to Northwest.

The following letter was written by James Jefferson for publication in the Journal. Mr. Jefferson and family are now enroute to Canada where they will make their home. The letter follows:

Dear Morgan County Friends: We are now in North Dakota and still going northwest. We have had good luck and fine roads until yesterday and today. It has been raining and this means a delay, but we are not much concerned about that. We have met some fine people on our way up here, and all are willing to do us a good turn. We have slept in our tent every night except one.

George was sick one day but is all O. K. now. Tom still likes to drive fast, and I often have to shove the brakes on. We witnessed a sad accident last Sunday, when a party of tourists in a car just ahead of us were struck by another car and three of the party killed. Mr. F. E. Farrell gave me some instructions on traveling and I find them very useful.

We expect to arrive at our home in Canada next week. Have been close to the Canadian line for two days but want to keep in the U. S. as long as possible. We met three cars from Illinois Monday and the occupants waved their handkerchiefs and shouted for the good old state as far as we could see them. We camped one night with a party of tourists from Waverly, Ill.

We have broken one spring and have had several punctures but the old Chalmers is still ready to travel.

Yours very truly, James Jefferson.

RED MEN WILL TALK ABOUT COON HUNT

Plan Such an Event and Also Parade—Will Discuss Matter Fully at Next Meeting.

At the regular meeting of Delaware Tribe No. 78 Improvements Order of Red Men, Tuesday evening the matter of a coon hunt for the members in the near future was discussed.

The members also discussed the advisability of having a parade this fall. The anniversary of the reorganization of the tribe falls on October 6. If an observance is had it is usually on the meeting night the nearest to that date.

This year the sixth will fall on Wednesday. This is the night after the regular meeting which is Tuesday October 5. At the next regular meeting these two matters will be discussed fully and some definite action taken. It is hoped to have a large attendance at that time.

Asserts New Discovery Brings Blessed Relief to Hay Fever Sufferers

Can Make it Yourself at Home at Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing Hay Fever into less than a mild cold, claims most emphatically that if taken in time Hay Fever or Rose Fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through Pharmacists to all Hay and Rose Fever sufferers who still have faith that nature has provided an effective remedy for this common, yet miserable disease.

And best of all this remedy costs almost nothing. Get three-quarter ounce bottle of Mentholized Arcline at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled. Then gargle as directed and twice daily snuff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work, but oftentimes simple, natural remedies are the best; as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

Mentholized Arcline is new in this market. It is possible that your druggist has not supplied himself, but he can get it for you from his jobber, who has a large supply.

Asserts New Discovery Brings Blessed Relief to Hay Fever Sufferers

Can Make it Yourself at Home at Trifling Expense

In spite of all the doubters and scoffers, a man in Kentucky, who changed his annoying and distressing Hay Fever into less than a mild cold, claims most emphatically that if taken in time Hay Fever or Rose Fever can be conquered or at least made so harmless that it is not even bothersome.

He gave his discovery to scores of other sufferers with the most remarkable results and has recently been prevailed upon to dispense it through Pharmacists to all Hay and Rose Fever sufferers who still have faith that nature has provided an effective remedy for this common, yet miserable disease.

And best of all this remedy costs almost nothing. Get three-quarter ounce bottle of Mentholized Arcline at any drug store, pour the contents into a pint bottle and fill the pint bottle with water that has been boiled. Then gargle as directed and twice daily snuff or spray each nostril thoroughly.

That's all there is to it; so simple that a lot of people will say that it can't do the work, but oftentimes simple, natural remedies are the best; as you will find after using.

If you will make up a pint and use it for a week or ten days you need not be surprised if your unwelcome yearly visitor fails to appear.

Mentholized Arcline is new in this market. It is possible that your druggist has not supplied himself, but he can get it for you from his jobber, who has a large supply.

PRESIDENT WILSON WALKS TO HIS CAR

WASHINGTON, Sept. 7.—President Wilson without assistance walked briskly thru the front entrance of the White House today and stepped into his automobile. It was the first time since his illness that the president had not started on his motor trip from the rear grounds. A crowd gathered and made a rush for the gate on the avenue as the car approached. The president lifted his hat and smiled.

MINER KILLED BY B. & O. PASSENGER TRAIN

Taylorville, Ill., Sept. 7.—Believing the object on the track before him to be a dog, the engineer of a Baltimore & Ohio passenger train at 8 o'clock this morning struck and killed Stanley Breeze, a young coal miner of this city. Breeze had been seated on the track eating a peach.

GASOLINE EXPLOSION CAUSES HEAVY DAMAGE

Dixon, Ill., Sept. 7.—The village of Lyndon, oldest settlement in Whiteside county, suffered a disastrous fire loss last night when a gasoline stove exploded, starting a blaze that leveled more than half of the business section. Five stores, including the two groceries were completely destroyed. The village is without fire protection and the townspeople, forming bucket brigades, only saved the bank and the post office after a strenuous battle.

INVESTIGATING VIOLATIONS OF THE VOLSTEAD ACT

Quincy, Ill., Sept. 7.—It was learned today that the federal grand jury which is in session here, is investigating no less than 130 alleged violations of the Volstead law. There is a large attendance of deputy United States marshals and a number of arrests are expected within the next few days.

POISONOUS ALCOHOL CAUSES FOUR DEATHS

Baltimore, Md., Sept. 7.—Four civilian employees of Edgewood Arsenal near this city are dead and four more desperately ill as a result of drinking poisonous alcohol. Military authorities said they did not know whether the men brought their liquor in with them or drank some of the alcohol stored at the post for military purposes. The latter they admitted had been rendered deadly to deter soldiers from stealing and drinking it.

DECATUR WATER SUPPLY VERY LOW

Decatur, Ill., Sept. 7.—With less than half the normal rainfall in this section in the last three months Decatur's water supply has become so low in the Sangamon river that sprinkling lawns, and washing walks were strictly prohibited today. The Staley starch works, users of six million gallons a day, have closed down.

STANDARDIZATION OF BATH TUBS URGED

St. Louis, Sept. 7.—Standardization of bath tubs as a means of speeding up building was urged at the convention of the American Society of Sanitary Engineers, which opened here today. Ernest J. Russell, a local architect in an address asserted that bath tubs are made in more than 1,000 designs, and that this is responsible, in part, for delays in building.

Washington, Sept. 7.—Baron Avezzana, the Italian ambassador has returned to his summer home without landing to the state department any formal note from Italy in reply to the report statement of the American government's attitude as to Russia and Poland.

RHEUMATISM

A Remarkable Home Treatment Given by One Who Had It

In the Spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with rheumatism, some of them 70 to 80 years old, and results were the same as in my own case.

I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of getting rid of your rheumatism, you may send the price of it, one dollar, but understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when relief is thus offered you free? Don't delay. Write today.

WHY BE AFRAID OF GOOD FOOD?

Eat What You Like Best but Follow It With a Stuart's Dyspepsia Tablet.

When the stomach sours or becomes gassy, with heartburn, it needs the alkaline effect to offset the acid condition. This you get

from one or two Stuart's Dyspepsia Tablets. Relief is usually very prompt. The regular use of these tablets after meals gives the stomach and small intestine substantial help to digest food and you will then be bold enough to eat baked beans, fried eggs, sausage, buckwheat cakes and many other things you thought would make your stomach miserable. Get a 60 cent box of Stuart's Dyspepsia Tablets at any drug store and you will then eat whatever you like and be fortified against the acid sour stomach due to indigestion or dyspepsia.—Adv.

Social Events**Gave Tea in Honor of Mrs. Warren Luttrell**

PRESIDENT WILSON WALKS TO HIS CAR
WASHINGTON, Sept. 7.—President Wilson without assistance walked briskly thru the front entrance of the White House today and stepped into his automobile. It was the first time since his illness that the president had not started on his motor trip from the rear grounds. A crowd gathered and made a rush for the gate on the avenue as the car approached. The president lifted his hat and smiled.

MINER KILLED BY B. & O. PASSENGER TRAIN
Taylorville, Ill., Sept. 7.—Believing the object on the track before him to be a dog, the engineer of a Baltimore & Ohio passenger train at 8 o'clock this morning struck and killed Stanley Breese, a young coal miner of this city. Breese had been seated on the track eating a peach.

GASOLINE EXPLOSION CAUSES HEAVY DAMAGE
Dixon, Ill., Sept. 7.—The village of Lyndon, oldest settlement in Whiteside county, suffered a disastrous fire loss last night when a gasoline stove exploded, starting a blaze that leveled more than half of the business section. Five stores, including the two groceries were completely destroyed. The village is without fire protection and the townspeople, forming bucket brigades, only saved the bank and the post office after a strenuous battle.

INVESTIGATING VIOLATIONS OF THE VOLSTEAD ACT
Quincy, Ill., Sept. 7.—It was learned today that the federal grand jury which is in session here, is investigating no less than 130 alleged violations of the Volstead law. There is a large attendance of deputy United States marshals and a number of arrests are expected within the next few days.

POISONOUS ALCOHOL CAUSES FOUR DEATHS
Baltimore, Md., Sept. 7.—Four civilian employees of Edgewood Arsenal near this city are dead and four more desperately ill as a result of drinking poisonous alcohol. Military authorities said they did not know whether the men brought their liquor in with them or drank some of the alcohol stored at the post for military purposes. The latter they admitted had been rendered deadly to deter soldiers from stealing and drinking it.

DECATUR WATER SUPPLY VERY LOW
Decatur, Ill., Sept. 7.—With less than half the normal rainfall in this section in the last three months Decatur's water supply has become so low in the Sangamon river that sprinkling lawns, and washing walks were strictly prohibited today. The Staley starch works, users of six million gallons a day, have closed down.

STANDARDIZATION OF BATH TUBS URGED
St. Louis, Sept. 7.—Standardization of bath tubs as a means of speeding up building was urged at the convention of the American Society of Sanitary Engineers, which opened here today. Ernest J. Russell, a local architect in an address asserted that bath tubs are made in more than 1,000 designs, and that this is responsible, in part, for delays in building.

The Duplex Alcazar Range
has been designed by men with a lifetime of experience in stove building needs. This stove burns coal or wood and kerosene oil either separately or both at the same time. The oil part is ideal for summer, the coal or wood for winter.
We are giving the housekeepers of this community a real opportunity for a saving of labor, a saving of fuel and a saving in food.
A SPECIAL PRICE WILL BE GIVEN FOR THIS WEEK ONLY ON ROUND OAK AND BRIDGE BEACH RANGES AND ALSO ROUND OAK HEATERS.
Do not miss this demonstration. Come in and let our demonstrator tell you about it.

OLD JACKSONVILLE

THE PIERSONS

By Ensley Moore

(Member Illinois State Historical Society)

One of the early settlers of Jacksonville, and one of its most valuable and best was

Daniel Clark Piereson, M. D.

who was born, presumably, in Cumberland county, New Jersey, Oct. 9, 1792; being the son of Dr. Azel Piereson, born in the same place, July 1769, and dying at Bridgeton in 1813.

These men were both descended from Henry Piereson, who emigrated to this country in 1640, he is first recorded at Southampton, on the eastern end of Long Island.

He was one of the first and leading settlers of the town, in 1640. As the town was settled by a colony of some 40 families from Lynn, Mass., and as he married Mary Cooper from Lynn, it is evident that he had come from Lynn.

In the same colony, and as its pastor came also Rev. Abraham Piereson. * * * It is probable they were brothers or other near kinsmen, and men of the same stamp" says "Piereson Genealogy, Albany, N. Y., Joel Munsell, printer, 1878."

Unfortunately lack of space prevents fullness of notice.

These people were the First English Settlers.

This Rev. Abraham Piereson was the first rector or president of Yale College; and his monument stands on the college grounds.

Daniel Clark was in the sixth generation from this Henry Piereson, of Southampton, Long Island. He came, with his family from Cumberland county, New Jersey, to Jacksonville in 1833, and the Bateman family came with the Piersons, this Bateman being the father of Newton Bateman, our great teacher, who came here then. Dr. Piereson moved to Augusta, Illinois, in 1850, where he died Jan. 29, 1857.

Dr. Piereson married Naomi Carl Nixon in 1816. She was born in New Jersey in 1800, and died in Solomon, Kansas, in 1884. They were the parents of:

Azel, born at Cedarville, N. J., 1817, died in Augusta, Ill., 1911. He married Harriet Catlin, daughter of David Catlin. He was a farmer in Schuyler county, Ill., a Presbyterian, and an elder in that church.

Phebe, born at Cedarville, 1818, died at Bunker Hill, Ill., 1905. She married Samuel S. Clark, of that place. They were Congregationalists.

Ruth, born in New Jersey, 1819, died in Jacksonville, 1833.

Jeremiah Piereson, born in Cedarville, Aug. 1821; died in Jacksonville in 1897. He married Sarah E. Catlin, daughter of Joel Catlin, in 1846. He was a trustee of the First Presbyterian church. He was a Justice of the Peace here, for many long years, as is well known. He was engaged in the Mormon War. In common with his race he was a man of great decision of character, and stalwart in appearance.

Daniel—son of Dr. D. C. Piereson, born July 1, 1823. He married Eliza Morse, and had three children and resided in Augusta. In 1868, he—Dr. Daniel—again married, Fanny Lathrop, and had one child. He died in 1898, "murdered for his principles," being shot down in his own doorway. He attended Illinois College, being graduated in medicine. George, born 1824, died 1825.

George, born May 10, 1826, died in 1898.

CITY COUNCIL IN REGULAR MEETING

Body Met Monday Evening—Had Not Expected to Hold Session Until Tuesday Evening.

A regular session of the city council was held in the council chamber Monday evening. The members had not expected to hold a meeting until Tuesday evening on account of Monday being a legal holiday.

However, when Mayor Crabtree, City Clerk Pyatt and a sufficient number of aldermen appeared to make a quorum it was decided to transact the regular routine business.

Roll call by the clerk showed all members present except Ald. Chapin and Williamson. The minutes of the last regular meeting were read and approved. A resolution transferring \$1,300 from the public benefit fund to the West College street pavement fund was read by the clerk and adopted. There remain two bonds, outstanding in the fund for the above amount and it was deemed best to take them up and close the account.

The reports of the following officers were received and placed on file:

W. H. Cobb, water superintendent—Water rent, \$3,739.41; taps, \$12.00; meters, \$143; repairs, \$13.53; Railway and Light company damage to water hydrant, \$36.68.

Frank Kiloran reported fourteen arrests. Eight city and six state cases. Fines collected, \$50.60.

H. C. Clement reported a balance in the general fund August 31, of \$3,999.97.

An ordinance providing for a tax levy to pay the interest and principal on the \$30,000 worth of bonds voted last spring was read. It was adopted with an emergency clause attached.

An ordinance providing for a sidewalk on the east side of Hooker street from Independence to Lafayette avenue was ordered prepared.

No further business appearing the council on motion adjourned.

NOTICE TO WATER CONSUMERS

FORMER RESIDENT DIES IN SPRINGFIELD

W. P. Taylor Passed Away Following Long Illness—Member of Pioneer Family.

W. P. Taylor, brother of C. Riggs Taylor of this city, died Monday night at St. John's hospital in Springfield, where he had been a patient for some weeks. The deceased was a son of George Taylor, one of the pioneer residents of this county, the family home being on a farm southeast of Jacksonville.

The deceased lived in this vicinity until 1865, and most of the years since that time have been spent in Sangamon county. Mr. Taylor was past eighty-two years of age. His wife died ten or twelve years ago and he leaves one daughter, resident in Denver and three sons, W. W. Taylor of Vernon; U. W. Taylor of Auburn and George Taylor of California.

Mr. Taylor was a member of the Christian church thru a long period of years and his life was in accord with his Christian faith and profession. He was also a member of the I. O. O. F. and was a man esteemed thru his long life.

The funeral will be held Thursday at 2 o'clock at Auburn.

PARTITION SUIT FILED IN CULLY ESTATE

A partition suit has been filed in the office of the circuit clerk by Wilson & Butler as attorneys for Mrs. Mary A. Cully, Mrs. Ida May Black, Mrs. Nellie C. Waltman and Albert R. Cully, directed against Emlin D. Cully et al.

This is a bill brought to partition certain lands owned by the late Thomas B. Cully, who died about Jan. 25, 1899, owned one tract of 163 acres of land and another tract of 20 acres, both located about 9 miles northwest of Jacksonville in the Joy Prairie neighborhood.

It is shown in the somewhat extensive bill that a number of parties in interest are minors and are therefore unable to join in a voluntary partition of the property, and it is for this reason that the suit is brought. The defendants named in the proceeding are Emlin D. Cully, Elsie Lorine Cully, William Benjamin Cully, Harold David Cully, Robert H. Cully, Ethel Mae Cully, James O. Cully, John A. Cully, Elmer S. Cully, Anna Cully, Helen J. Cully and August W. Waltman.

PUBLIC SALE

At my residence one mile east of Murrayville, Wednesday, Sept. 8, 1920, 15 head of horses and mules, 75 head of cattle, 100 hogs, 125 sheep, 200 pure bred Rhode Island Red hens, 5 good stoves, furniture, and implements.

C. Justus Wright, J. L. Henry, Auctioneer.

PLANNING BANQUET FOR GOOD ROADS MEN

Arrangements are well under way for the banquet to be given representatives of the Mississippi Highway association who are to be in Jacksonville on the night of Sept. 16. Last week a committee was named, including C. N. Priest, J. F. Claus and L. T. Potter, to make arrangements for this banquet and the indications are that several hundred people will attend.

The banquet will be served at Central Christian church and tickets will be \$2. A splendid menu has been promised and in all its details the occasion promises to be one of great interest.

It is hoped that not only special honor will be shown the visitors from New Orleans and the other cities to the south, but that arrangements will be made for the sending of a good delegation from Jacksonville to the St. Paul convention.

REV. SCOTT PEAK DIES IN SCOTT COUNTY

Served as Minister There Thru Many Years—Final Illness was of Short Duration.

Bluffs, Sept. 7.—Rev. Scott Peak of Scott county, passed away at 11:45 p. m. Monday at his home near Exeter after a sudden illness of short duration aged 77 years, 4 months and 20 days. Deceased was born near Exeter, April 17th, 1843 and in this community he has spent his entire life being loved and revered by all who knew him for his beautiful christian character, his lofty ideals and noble deeds.

His life has been a shining light to the wayfarer, a council and guide in the time of need and his good deeds could be numbered by the thousands. On Sept. 20th, 1865 he was united in marriage to Miss Ada Peake of Exeter. Three children were born of this union, two sons, Giles and Luke, who died in early manhood, Luke dying while a United States soldier in foreign service during the Spanish American war and one daughter, Lettie of Denver, Colo.

Besides his widow and daughter, Miss Lettie, one grandchild, Paul Peake of Denver Colo. also survive. At an early age he gave his heart to God and at the age of 25 years he became a minister of the gospel of the Baptist denomination. His services have been sought in fields far and wide but he preferred always to remain at home preaching the gospel without money and without price unto all people regardless of class or creed. It has truthfully been said that he had united more couples in marriage, had preached more funeral sermons than any village preacher in Central Illinois. The lone church in the valley, the school house or the open air found him preaching the gospel wherever he could gather together a congregation. Truly a good man has gone to his reward. Funeral services will be conducted from the Christian church in Exeter at 10 o'clock Thursday morning the Rev. Connolly of Roodhouse officiating. Burial at the Exeter cemetery.

SCHOOL FOR DEAF TO OPEN SOON

When school begins at the School for the Deaf on September 16, a different staff of teachers will be in charge to the one originally planned. This is made necessary on account of the number of teachers on leave of absence. The pupils, who expect to enter the school will arrive in Jacksonville on September 15 and be ready for the school beginning the next day.

Miss Collins, former physical director of the school, will be absent, her place being filled by Miss M. C. Mathews of Jacksonville.

The printing department and the editing of "The Advance" will be cared for by S. Robey Burns, who is a deaf mute. W. S. Camp was originally the head of this department.

An increase over last year's enrollment of four hundred and eight is expected, as ninety new students are expected to enroll, some forty-two already having enrolled.

CITY COUNCIL IN REGULAR MEETING

Body Met Monday Evening—Had Not Expected to Hold Session Until Tuesday Evening.

A regular session of the city council was held in the council chamber Monday evening. The members had not expected to hold a meeting until Tuesday evening on account of Monday being a legal holiday.

However, when Mayor Crabtree, City Clerk Pyatt and a sufficient number of aldermen appeared to make a quorum it was decided to transact the regular routine business.

Roll call by the clerk showed all members present except Ald. Chapin and Williamson. The minutes of the last regular meeting were read and approved.

A resolution transferring \$1,300 from the public benefit fund to the West College street pavement fund was read by the clerk and adopted. There remain two bonds, outstanding in the fund for the above amount and it was deemed best to take them up and close the account.

The reports of the following officers were received and placed on file:

W. H. Cobb, water superintendent—Water rent, \$3,739.41; taps, \$12.00; meters, \$143; repairs, \$13.53; Railway and Light company damage to water hydrant, \$36.68.

A. M. King, city physician—Total deaths, 21; in city, 14; at state hospital, 7. Residents, 10; non-residents, 11. By years, under one year, 1; one to five years, 1; five to twenty years, 2; twenty to fifty years, 3; fifty to seventy years, 5; over seventy years, 3. Frank Kiloran reported fourteen arrests. Eight city and six state cases. Fines collected, \$50.60.

H. C. Clement reported a balance in the general fund August 31, of \$3,999.97.

An ordinance providing for a tax levy to pay the interest and principal on the \$30,000 worth of bonds voted last spring was read. It was adopted with an emergency clause attached.

An ordinance providing for a sidewalk on the east side of Hooker street from Independence to Lafayette avenue was ordered prepared.

No further business appearing the council on motion adjourned.

NOTICE TO WATER CONSUMERS
Water will be shut off today from 9 a. m. to 2 p. m. on Clay avenue from East State street to East College avenue and on the first alley south of Morgan street from South East street to Clay avenue.

FORMER RESIDENT DIES IN SPRINGFIELD

W. P. Taylor Passed Away Following Long Illness—Member of Pioneer Family.

W. P. Taylor, brother of C. Riggs Taylor of this city, died Monday night at St. John's hospital in Springfield, where he had been a patient for some weeks. The deceased was a son of George Taylor, one of the pioneer residents of this county, the family home being on a farm southeast of Jacksonville.

The deceased lived in this vicinity until 1865, and most of the years since that time have been spent in Sangamon county. Mr. Taylor was past eighty two years of age. His wife died ten or twelve years ago and he leaves one daughter, resident in Denver and three sons, W. W. Taylor of Divernon; U. W. Taylor of Auburn and George Taylor of California.

Mr. Taylor was a member of the Christian church thru a long period of years and his life was in accord with his Christian faith and profession. He was also a member of the I. O. O. F. and was a man esteemed thru his long life.

The funeral will be held Thursday at 2 o'clock at Auburn.

PARTITION SUIT FILED IN CULLY ESTATE

A partition suit has been filed in the office of the circuit clerk by Wilson & Butler as attorneys for Mrs. Mary A. Cully, Mrs. Ida May Black, Mrs. Nellie C. Waltman and Albert R. Cully, directed against Emlin D. Cully et al. This is a bill brought to partition certain lands owned by the late Thomas B. Cully, during his lifetime. Mr. Cully, who died about Jan. 25, 1899, owned a tract of 160 acres of land and another tract of 20 acres, both located about 5 miles northwest of Jacksonville in the Joy Prairie neighborhood.

It is shown in the somewhat extensive bill that a number of parties in interest are minors and are therefore unable to join in a voluntary partition of the property, and it is for this reason that the suit is brought. The defendants named in the proceeding are Emlin D. Cully, Elsie Lorine Cully, William Benjamin Cully, Harold David Cully, Robert H. Cully, Ethel Mae Cully, James O. Cully, John A. Cully, Elmer S. Cully, Anna Cully, Helen J. Cully and August W. Waltman.

PLANNING BANQUET FOR GOOD ROADS MEN

Arrangements are well under way for the banquet to be given representatives of the Mississippi Highway association who are to be in Jacksonville on the night of Sept. 16. Last week a committee was named, including C. N. Priest, J. F. Claus and L. T. Potter, to make arrangements for this banquet and the indications are that several hundred people will attend.

The banquet will be served at Central Christian church and tickets will be \$2. A splendid menu has been promised and in all its details the occasion promises to be one of great interest.

It is hoped that not only special honor will be shown the visitors from New Orleans and the other cities to the south, but that arrangements will be made for the sending of a good delegation from Jacksonville to the St. Paul convention.

REV. SCOTT PEAK DIES IN SCOTT COUNTY

Served as Minister There Thru Many Years—Final Illness was of Short Duration.

Bluffs, Sept. 7.—Rev. Scott Peak of Scott county, passed away at 11:45 p. m. Monday at his home near Exeter after a sudden illness of short duration aged 77 years, 4 months and 20 days. Deceased was born near Exeter April 17th, 1843 and in this community he has spent his entire life being loved and revered by all who knew him for his beautiful christian character, his lofty ideals and noble deeds.

His life has been as a shining light to the wayfarer, a council and guide in the time of need and his good deeds could be numbered by the thousands. On Sept. 20th, 1865 he was united in marriage to Miss Ada Peake of Exeter. Three children were born of this union, two sons, Giles and Luke, who died in early manhood, Luke dying while a United States soldier in foreign service during the Spanish American war and one daughter, Lettie of Denver, Colo.

Besides his widow and daughter, Miss Lettie, one grandchild, Paul Peake of Denver Colo. also survive. At an early age he gave his heart to God and at the age of 25 years he became a minister of the gospel of the Baptist denomination. His services have been sought in fields far and wide but he preferred always to remain at home preaching the gospel without money and without price unto all people regardless of class or creed. It has truthfully been said that he had united more couples in marriage, had preached more funeral sermons than any village preacher in Central Illinois. The lone church in the valley, the school house or the open air found him preaching the gospel wherever he could gather together a congregation. Truly a good man has gone to his reward. Funeral services will be conducted from the Christian church in Exeter at 10 o'clock Thursday morning the Rev. Connolly of Rod-house officiating. Burial at the Exeter cemetery.

METHODISTS BEGIN ANNUAL CONFERENCE

HUNDREDS OF MINISTERS HAVE ASSEMBLED AT DECATUR.

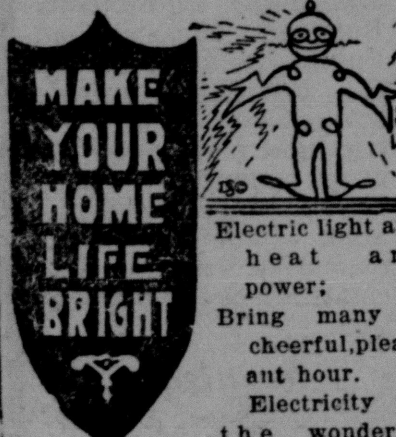

Examining Board Held Session Tuesday — Epworth League Anniversary — Figures Show Changing Pastors — Board of Education Plans Outlined.

(By C. R. MORRISON.)
Decatur, Sept. 7.—(Special.)—Decatur is a royal entertainer. Three hundred and seventy-five ministers are safely housed in the homes of the Methodist families, or friends of the church, besides forty who prefer hotel accommodations, and are self-entertainers.

The service promised to the conference is lodging and breakfast—all other meals are at the expense of the visitors. The lay delegates, who are expected on Friday and Saturday, many of whom will stay over Sunday, provide for their own hotel accommodation. If the laymen are admitted into the annual conference, (and while considerably tangled up, is yet to be voted on at this session of the conference,) the question of entertainment becomes quite an item. For a few days it would not mean much, but for one week, it is somewhat of a task. So far there has been but little difficulty in meeting the demand.

Already there has begun an agitation concerning pooling railroad rates, and allowances for hotel accommodations to be provided for by the local churches. It is claimed that \$2 would be the average of railroad rate, and \$2 per day would secure hotel rates for the conference membership, including the laymen.

The Northwestern Christian Advocate of recent date had an editorial, advocating this method, and spoke of high rents and small apartment houses and bungalows, that are resorted to in order to keep down expenses.

and urged the religious bodies to make preparation for self-support. In fact, it is said: "If Jesus Christ came to Chicago in these days, out of courtesy, and consideration, He would go to the hotel," which leads St. Louis to suggest: "Perhaps, He would get no other invitation."

Preliminary Meetings.
The Board of Examiners were in session on Tuesday, with C. D. Robertson, of Homer as chairman and R. L. Stead, of Saybrook, Registrar. About twenty young men of the First Year's class; six of the Second Year's class; ten of the Third Year; and three of the Fourth Year, a total of 39 in all.

The Epworth League Anniversary was held this evening, C. R. Booth, Conference President, Decatur, presiding.

The recently elected Corresponding Secretary, Dr. C. E. Guthrie, of Chicago was the anniversary speaker. He has had two years of service in the office, however, on account of the serious and long continued illness of Dr. Sheridan, and at his death was elected to the last General Conference, to the vacated position. He is well known to the Conference, having been in district meetings, and at other sessions of the Conference, and is very popular.

The Book Room, where the Book Concern of Chicago has for sale, and usually sells about \$2,000 worth of books during the week, is a gathering place for greetings and exchange of news, and events of the twelve months since these men have seen each other. While the conference membership is constantly changing, the old ties of other years, are yet strong and are strengthened by renewals annually.

In the active pastoral service, there are now only 68 men who have been in Illinois Conference 20 years or longer. Many have preached longer, but have held membership in other conferences. Among the younger men, are many, who were chums in College, and perhaps neighbors in other years in the same district. A turn of the "iron wheel" of itinerancy, has separated them, so they meet only now in conference session and between times of "visit up" the lost time.

Board of Education.
Tuesday, also was set aside by Chairman Nate, for a preliminary meeting of the Board of Education of Illinois Conference. The problems of the church school and the call for increased enrollment, requires careful counsel together.

A need for 120 millions of dollars, from Trustee Boards for the various colleges of Methodism has already been emphasized by the Board of Education of the church. The need is emphasized, by such gifts as that to Illinois Woman's College, as already made public by the conditional favor of the General Educational Board of the Rockefeller Foundation. Campaigns and drives, are not now in favor, until the Centenary period of three years more has past. Still, nevertheless, a united, still hunt, program must not be delayed—else school and college interests may be jeopardized.

Big Things of the Week.
Bishop McDowell will be present at the Educational Banquet, as guest of honor Friday at 5:30 p. m., at the Y. M. C. A., and later on, will address the Conference, on the anniversary of the Board of Education, at the First Church. Dr. J. C. Nate, presiding.

The next big thing on the program, is the special lecture, on Thursday evening, by Dr. Merton S. Rice, of Detroit, on "Problematism America." Dr. Rice is very popular with the Illinois Conference, and all will be anxious to hear him.

The third big attraction will be the daily 4 o'clock lecture by Dr. Edmund D. Soper, professor of Comparative Religions, Northwestern University, Evanston. His first topic will be "America and the Nations." Second lecture subject: "The Central Issue," and on Saturday, the closing lecture, subject: "The Minister's Opportunity."

The presence of Dr. Dan B. Brummit, Editor of the "Epworth Herald" with an address before the Woman's Home Missionary Society on Saturday afternoon, at 2:45 with a lecture on "The Glory of the Garden," also Miss Bertha Creek, returned missionary from China, will speak before the Woman's Foreign Missionary Society on Friday afternoon, and then the Board of Temperance will hold an anniversary Saturday night with a great address by Clarence True Wilson of Washington, Parker Shields, presiding.

This will lead up to the Sunday session of the Conference when Bishop Nicholson will preach, and the other churches of the city of the city will be open to Conference visitors.

The busy hours, and anxious occasions to the 300 ministers and as many lay delegates are just beginning. More of this later.

FORMER RESIDENT WEDS CHICAGO MAN

Miss Alma Forsythe is Married to Maynard L. Daggy—Bride Noted as Violinist—Will Reside in Chicago.

An event of interest to Jacksonville people took place in Chicago on Saturday, September 4, when Miss Alma Forsythe was united in marriage to Mr. Maynard Lee Daggy, of Chicago.

The bride is well known to Jacksonville people, having lived here until recently when she became a violin soloist with the Smith-Spring-Holmes Quintette which has toured the country for the last five years in lyceum and chautauqua. She is a graduate of Jacksonville high school, class of 1909. The same year she received a diploma in violin from Illinois College Conservatory and a few years later a teacher's certificate in piano from the same institution. She has been eminently successful among the foremost violinists in the lyceum field.

Mr. Daggy is widely known as an educator and lecturer. He is a graduate of DePaul university and spent several years in work at the university of Chicago. He was for some years a member of the faculties of the University of Wisconsin and the University of Washington, and has won wide recognition as a lecturer on educational and sociological subjects.

Mr. and Mrs. Daggy are now spending several weeks in Wisconsin and will make their home in Chicago after the close of the coming winter season.

STOP!**Release for Women who Suffer**

The multitude of American women who suffer terribly day after day and year after year from ills peculiar to their sex is almost beyond belief—yet there is hardly a town or hamlet in the United States wherein some woman, and often many, do not reside who have been restored to health from some of the worst forms of female ills, and often avoided operations by taking Lydia E. Pinkham's Vegetable Compound.

These Two Women Tell of Their Experience.

Carrollton, Ky.—"I suffered almost two years with female weakness. I could not walk any distance, ride or take any exercise at all without resting. If I swept the floor or did any kind of work it would bring my sickness on. I was weak and languid, had no energy, and life was a misery to me. I was under the care of a good physician for several months and tried other remedies. I had read of Lydia E. Pinkham's Vegetable Compound and decided to try it. After taking twelve bottles I found myself much improved and I have done all kinds of work and at present am an attendant at a State Hospital and am feeling fine. I shall always recommend your Vegetable Compound."—LILLIAN THARP, 824 South 6th Street, Carrollton, Ky.

Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die, and I was not regular either. I suffered for a year and was unfit to do my housework, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and can do my own housework without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good for female weakness as can Lydia E. Pinkham's Vegetable Compound and you may use these facts as a testimonial."—MRS. LESTER E. WARNER, R. 1, Box 69, Onalaska, Wis.

METHODISTS BEGIN ANNUAL CONFERENCE

HUNDREDS OF MINISTERS HAVE ASSEMBLED AT DECATUR.

Examining Board Held Session Tuesday Epworth League Anniversary — Figures Show Changing Pastorates — Board of Education Plans Outlined.

(By C. R. MORRISON.)
Decatur, Sept. 7.—(Special.)—Decatur is a royal entertainer. Three hundred and seventy-five ministers are safely housed in the homes of the Methodist families, or friends of the church, besides forty who prefer hotel accommodations, and are self-entertainers.

The service promised to the conference is lodging and breakfast—all other meals are at the expense of the visitors. The lay delegates, who are expected on Friday and Saturday, many of whom will stay over Sunday, provide for their own hotel accommodation. If the laymen are admitted into the annual conference, (and while considerably tangled up, is yet to be voted on at this session of the conference,) the question of entertainment becomes quite an item. For a few days it would not mean much, but for one week, it is somewhat of a task. So far there has been but little difficulty in meeting the demand.

Self-Entertainment.
Already there has begun an agitation concerning pooling railroad rates, and allowances for hotel accommodations to be provided for by the local churches. It is claimed that \$2 would be the average of railroad rate, and \$2 per day would secure hotel rates for the conference membership, including the laymen.

The Northwestern Christian Advocate of recent date had an editorial, advocating this method, and spoke of high rents and small apartment houses and bungalows, that are resorted to in order to keep down expenses.

Electric light and heat and power; Bring many a cheerful, pleasant hour. Electricity is the wonderful wizard who helps to make our lives brighter. It makes possible our movie show entertainment, improves our transportation facilities, and renders a service of light, heat and power that gives friend wife a chance to think how happily she is married.

and urged the religious bodies to make preparation for self-support. In fact, it is said: "If Jesus Christ came to Chicago in these days, out of courtesy, and consideration he would go to the hotel," which leads St. Louis to suggest: "Perhaps, He would get no other invitation."

Preliminary Meetings.
The Board of Examiners were in session, on Tuesday, with C. D. Robertson, of Homer as chairman and R. L. Stead, of Saybrook, Registrar. About twenty young men of the First Year's class; six of the Second Year's class; ten of the Third Year; and three of the Fourth Year, a total of 39 in all.

The Epworth League Anniversary was held this evening. C. R. Booth, Conference President, Decatur, presiding.

The recently elected Corresponding Secretary, Dr. C. E. Guthrie, of Chicago was the anniversary speaker. He has had two years of service in the office, however, on account of the serious and long continued illness of Dr. Sheridan, and at his death was elected to the last General Conference, to the vacated position. He is well known in the Conference, having been in district meetings, and at other sessions of the Conference, and is very popular.

Social Greetings.
The Book Room, where the Book Concern of Chicago has for sale, and usually sells about \$2,000 worth of books during the week, is a gathering place for greetings and exchange of news, and events of the twelve months since these men have seen each other. While the conference membership is constantly changing, the old ties of other years, are yet strong and are strengthened by renewals annually.

In the active pastoral service, there are now only 48 who have been in Illinois Conference 20 years or longer. Many have preached longer, but have held membership in other conferences. Among the younger men, are many, who were chums in College, and perhaps neighbors in other years in the same district. A turn of the "iron wheel" of itinerancy, has separated them, so they meet only now in conference session and between times of actual business, take occasion to "visit up" the lost time.

Board of Education.
Tuesday, also was set aside by Chairman Nate, for a preliminary meeting of the Board of Education of Illinois Conference. The problems of the church school and the call for increased enrollment, requires careful counsel together.

A need for 120 millions of dollars, from Trustee Boards for the various colleges of Methodism has already been emphasized by the Board of Education of the church. The need is emphasized, by such gifts as that to Illinois Woman's College, as all Illinois made public by the conditional favor of the General Education Board of the Rockefeller Foundation Campaigns and drives, are not now in favor, until the Centenary period of three years more has past. But, nevertheless, a united, still hunt, program must not be delayed—else school and college interests may be jeopardized.

Big Things of the Week.
Bishop McDowell will be present at the Educational Banquet, as guest of honor Friday at 5:30 p. m., at the Y. M. C. A., and later on, will address the Conference, at the anniversary of the Board of Education, at the First Church, Dr. J. C. Nate, presiding.

The next big thing on the program, is the special lecture, on Thursday evening, by Dr. Merton S. Rice, of Detroit, on "Problems of America." Dr. Rice is very popular with the Illinois Conference, and all will be anxious to hear him.

The third big attraction will be the daily 4 o'clock lecture by Dr. Edmund D. Soper, professor of Comparative Religions, Northwestern University, Evanston. His first topic will be "America and the Nations." Second lecture subject: "The Central Issue," and on Saturday, the closing lecture, subject: "The Minister's Opportunity."

The presence of Dr. Dan B. Brumit, Editor of the "Epworth Herald" with an address before the Woman's Home Missionary Society on Saturday afternoon, at 2:45 with a lecture on "The Glory of the Garden," also Miss Bertha Creek, returned missionary from China, will speak before the Woman's Foreign Missionary Society on Friday afternoon, and then the Board of Temperance will hold an anniversary Saturday night with a great address by Clarence True Wilson of Washington, Parker Shields, presiding.

This will lead up to the Sunday session of the Conference when Bishop Nicholson will preach, and the other churches of the city will be open to Conference visitors.

The busy hours, and anxious occasions to the 300 ministers and as many lay delegates are just beginning. More of this later.

Tire Mileage Increased and Cost Reduced—for Small Cars

You can buy Goodyear Tires today at prices which are no higher than they were ten years ago.

And from these tires you can now obtain more actual mileage due to advancements made by Goodyear in their construction since 1910.

The present cost of Goodyear mileage therefore is decidedly less and this fact applies to all the line, including the 30x3, 30x3½ and 31x4-inch size Goodyear Tires built especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—get exceptional mileage at very low cost.

Tire Mileage Increased and Cost Reduced—for Small Cars

You can buy Goodyear Tires today at prices which are no higher than they were ten years ago.

And from these tires you can now obtain more actual mileage due to advancements made by Goodyear in their construction since 1910.

The present cost of Goodyear mileage therefore is decidedly less and this fact applies to all the line, including the 30x3-, 30x3½- and 31x4-inch size Goodyear Tires built especially for small cars.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—get exceptional mileage at very low cost.

30 x 3½ Goodyear Double-Cure Fabric, All-Weather Tread \$2350

30 x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread \$2150

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3½ size \$450 in waterproof bag

MOTORISTS TAKE WARNING

To avoid some of the present day motor inconveniences, and troubles and expense that accompany them, you should use Monogram Oil.

Monogram Oil is recommended by more manufacturers of cars than any oil on the market today. Profit by their experience.

Stop Worrying. Lubricate your motor with Monogram Oil.

We have it in all size containers from barrels to gallon cans.

We represent U.S. Tires for that reason—because their policy is the same as ours—every tire as good as *you can get it*, regardless of the size of the car it is to go on.

It was that policy which led to the introduction of the *straight side* automobile tire, the *pneumatic* truck tire.

And you can't beat it.

U. S. Tires are guaranteed
for life, *with no limitation
of mileage.*

It will pay you to talk to us about tires, if you are looking at them from a business standpoint.

Everything speeded up—made easier. Nearly every business man depending on the automobile to transport himself and his products.

That is one reason, perhaps, why more attention is being paid to tires—why tire costs are being figured closer and people are beginning to look for *better tires*.

We believe that people are entitled to better tires—the best they can get.

The Rising Tide
DURING the month of May, 1920 (latest figures obtainable), the gasoline production in the United States was 381,079,291 gallons, a daily average of 12,292,880 gallons, the highest on record. (Bureau of Mines.)
The rising tide of petroleum consumption may be taken as an indication of increased industrial activity and of the extension of power farming.
The Standard Oil Company (Indiana), serving eleven Middle Western states where both agricultural and industrial production are high, is bending every effort of its vast and experienced organization to produce sufficient gasoline to meet the rapidly rising demand.
The Standard Oil Company (Indiana) refineries are working intensively to obtain the maximum of gasoline from every gallon of crude oil. Not only are the methods in use by the Company the most modern known, but they are carried on with that maximum of economy attendant upon large-scale operations.
Distribution of petroleum products by the Standard Oil Company (Indiana) is both comprehensive in development and economical in practice.
The Standard Oil Company (Indiana) offers its highly developed efficiency as a service to the people of the Middle West.

SANITORIUM FACTS
SHOWN IN REPORT
Trustees Have Filed Report For Year With The County Board.

Recently the annual report of the Morgan County Tuberculosis Sanatorium fund for the period from June 1, 1919 to June 1, 1920, was filed with the board. This report was made by William Batz, W. R. Turnbull and Dr. Grace Dewey as trustees of the fund, and is printed herewith in full:
Following is report of the Morgan County Tuberculosis Sanatorium Fund from June 1, 1919, to June 1, 1920:
The sanatorium fund has been used during the year, broadly speaking, in two ways: First, in the remodeling and completing for occupancy, as far as possible, the building to be used for the sanatorium.
Secondly, in continuing the tuberculosis work already established in the county, namely, the tuberculosis clinic with its various associated lines of work and the other measures for the control of tuberculosis carried out by our visiting nurse.
The remodeling of the sanatorium building proceeded thru last summer as far as funds would allow which, because of the constantly raising prices, was not as far as had been at first estimated possible.
At the time the tax levy was made in September, 1919, the directors were assured of a levy of the same amount as had been received the previous year. This was about the same as a two mill tax on the old basis of taxation. With that understanding, further work was planned and contracts let for work not yet begun, plumbing, electric light fixtures, etc.
In the fall there was again considerable delay in carrying out plans because of time consumed in obtaining a legal decision on the question as to whether the directors could anticipate on the taxes to be paid in 1920. Late winter found the work proceeding more rapidly.
A break in the sanatorium water supply main running under the new spillway at Mauvasterre Lake occurred during the construction of the new dam and it was found advisable to lay a new water main from there to the pumping plant. This added a large unexpected item of expense. Increase in cost of labor and of various minor details and the necessity of much more extensive repairs than at first contemplated added also materially to the expenditure.
When it was found in early spring, that it was going to be necessary to cut by more than a fourth the amount the directors had expected to receive from taxes in 1920, they were again compelled to modify plans and discontinue for the time being further progress toward opening the sanatorium.
At present the building stands with heating plant and all general remodeling work, painting inside and out, etc., practically finished. The installation of the plumbing and electric lighting is well on the way toward completion. That is, the building might in a very short time be made entirely ready for furnishing.
It is hoped that in some way plans for completing, furnishing, and opening the sanatorium can be made before many months. The demand for sanatorium care in our own county is large and many inquiries as to when patients may be admitted have come to us from other counties.
For the time being, our county tuberculosis fund does the real work for which it was created thru our clinic and visiting nurse. This work has been carried out for the year along the same general lines as heretofore with more attention than formerly to the county outside Jacksonville.
Dr. Josephine Milligan has served as medical director for the

year and Dr. C. E. Cole has given assistance by conducting the clinics thru August, 1919, and February, 1920. Dr. H. A. Chapin has assisted by giving us one of his fluoroscopes for some thirty examinations.
During the first part of the year Miss Sorrells, Miss Coleman and Miss Austin served successfully as visiting nurses. Miss Loving, now in the position, took up the work the latter part of December.
For two months in the winter a second nurse, Miss Austin, was employed for part of her time. The Morgan County Community Council co-operated with us in employing the rest of her time for health work especially with children. This plan resulted advantageously both for the anti-tuberculosis efforts and those in behalf of children.
For most of the year pupil nurses from Passavant Hospital Training School have been associated with our visiting nurse, each for a period of six weeks, as is association, made the examinations of patients at that time.
A total of 360 physical examinations were made, 80 tuberculin treatments were given; 48 skin tests were given, of these 19 were positive and 29 negative; 59 sputum examinations were made, of these 31 positive and 28 negative. The patients definitely diagnosed as tuberculous numbered 72; 2 had tuberculosis of the spine, 3 tuberculosis of the hip, 1 of the knee, 3 had tuberculous glands, 63 had tuberculosis of the lungs. Nineteen were arrested cases, 18 were open cases. The "contacts"—that is, those who have at some time lived in the same family with an open case of tuberculosis—examined numbered 90. Of these 33 were tuberculous, 31 had some lung symptoms but not enough to be definitely diagnosed as tuberculous. Twenty-six of the contacts showed no sign of the disease. Of the patients carried by the clinic as "suspicious", 41 were not "contacts".
There were 50 dropped from the clinic lists thru the year. Of these 13 moved out of the county, 2 transferred to Sanatoria, 2 lost tract of, 7 did not belong to this clinic, 10 died, and 16 improved sufficiently to be dismissed from clinic care.
The nurse's record of visits shows that an average of 165 visits per month have been made to tuberculosis patients. An average of 64 per month general visits, an average of 22 per month metropolitan visits and thru the months when special attention was given to children, an average of 86 visits per month in the interests of Child Welfare, making in all an average of 224 visits per month.
The following is the financial statement for the year:
Third financial report Anti-Tuberculosis Fund, June 1, 1919, to June 1, 1920:
sisting our nurse on her rounds and in the clinic, thus getting in return some training and experience in public health work.
Our medical director has had as heretofore thru agreement with the board of education, the recommending of the children who should be taken into or dismissed from the open air school.
The report of the medical director shows that special emphasis has been placed this year on the finding and examining of "contacts", in following up where possible the partial survey made in the county last year, and on preventive work. The report shows also that an increasing number of patients have sought voluntarily the benefits of the clinic.
The persons who have been patients of the clinic all or a part of the year number 264; 29 men, 90 women, 145 children. Of these 137 have been new patients during the year, 16 from Meredossia, 9 from Waverly, 2 from Murrayville, 1 from Sinclair, 1 from Concord, the rest from Jacksonville and vicinity.
Sixty-four clinics have been held. One clinic was held in Meredossia and Dr. Adkins, medical director of the State Tubercu-

This section certainly owes a lot to the automobile
LOOK at it just from the business standpoint, compared with, say, ten years ago—or even five.
Everything speeded up—made easier. Nearly every business man depending on the automobile to transport himself and his products.
That is one reason, perhaps, why more attention is being paid to tires—why tire costs are being figured closer and people are beginning to look for better tires.
We believe that people are entitled to better tires—the best they can get.
Not only the man with the big car, but the man with the small car, and the medium sized car.
We represent U.S. Tires for that reason—because their policy is the same as ours—every tire as good as you can get it, regardless of the size of the car it is to go on.
It was that policy which led to the introduction of the straight side automobile tire, the pneumatic truck tire.
And you can't beat it.
U. S. Tires are guaranteed for life, with no limitation of mileage.
It will pay you to talk to us about tires, if you are looking at them from a business standpoint.
